

# The ECMWF BUFR Toolbox

**Sue Madry**

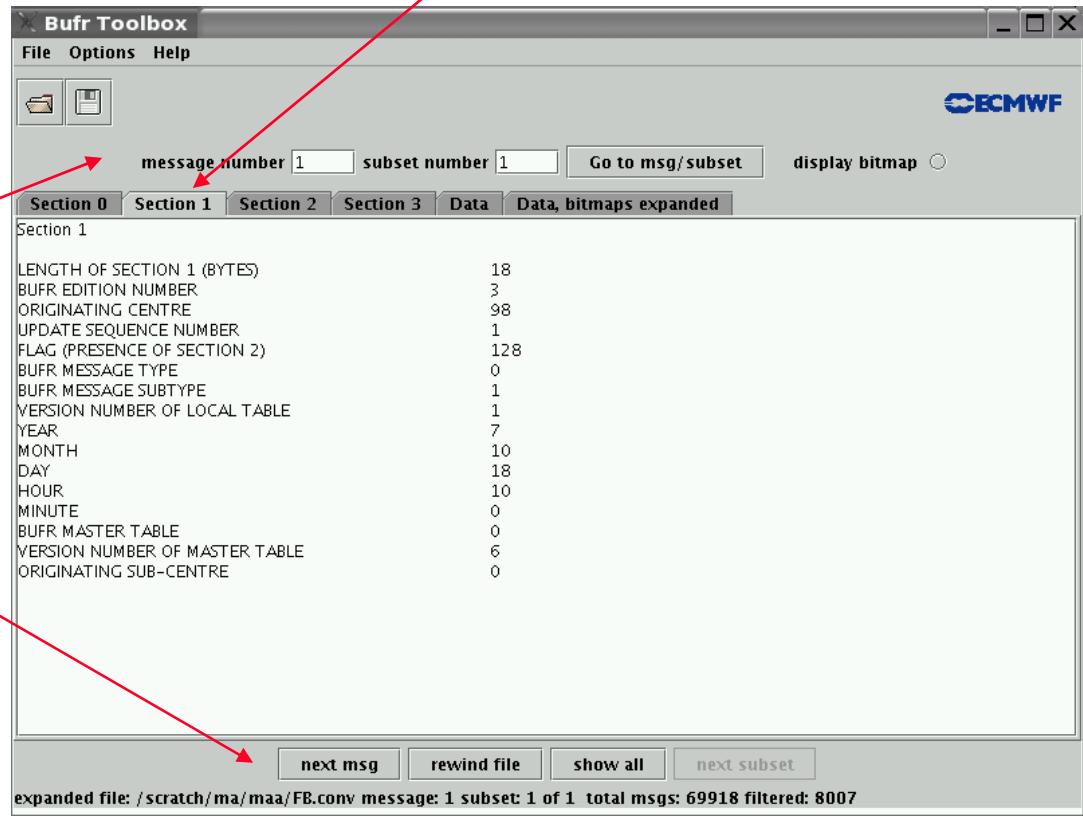

**Meteorological Applications Section - ECMWF**

# The ECMWF BUFR Toolbox

- JAVA GUI provides an easy interface to display BUFR data
- Linked to standard BUFRDC software and will be made available to download from the ECMWF website
- Decode and display BUFR data and encode and create a single subset message

# Main window

Display BUFR message sections

Navigate through data file

Number of messages

List all messages

# Decoded data

**Bufr Toolbox**

message

# Data filtering

- Filter a BUFR file to display only the desired observations
- Set values for any element(s) in the BUFR message and the program will find the subsets which match
- Data coverage map shows the geographical location of the observations
